

27 June 1967

MEMORANDUM FOR THE RECORD

Morning Meeting of 27 June 1967

DD/I reported having sent a special FBIS memorandum to the White House this morning on reaction to the President's address. Another will be sent on Thursday concerning reaction to the President's talks with Kosygin.

DD/I briefed the Director on ORR's monthly report of shipping to North Vietnam.

DD/I informed the Director that we will distribute to Chet Cooper this morning a memorandum on the U. S. capability to detect DRV violations of the DMZ.

DD/I reported that the assessments of Soviet materiel shipments to the Arabs was distributed last night.

Godfrey discussed the situation in Aden. The Director felt that it is important to continue our reporting on Aden.

Godfrey called the Director's attention to an article in the 24 June issue of The Economist on the need to reorganize British intelligence.

The Director discussed the news of [redacted] execution with Godfrey, who said he will check further.

25X1

DD/S briefed the Director on Agency actions in conjunction with GSA to respond to the Administration's Youth Opportunity Campaign.

Executive Director said that he has sent to the Deputy Directors and Heads of Independent Offices copies of a request from the White House for a tabulation of recurring reports. He asked for a response by COB Wednesday.
